Selected Notes to the Financial Statements

- 1. Revenue.** Revenue from operations for FY2026 was INR 790.0 million. The company experienced softer demand from automotive customers and pricing pressure during the year.
- 2. Borrowings.** Total debt at year end was INR 125.0 million, comprising INR 40.0 million of short-term debt and INR 85.0 million of long-term debt.
- 3. Liquidity.** Cash and cash equivalents were INR 38.0 million. Current assets were INR 315.0 million and current liabilities were INR 225.0 million.
- 4. Receivables.** Trade receivables increased to INR 148.0 million. Management attributes the increase primarily to extended collection cycles from selected customers.
- 5. Capital expenditure.** Capital expenditure during FY2026 was INR 52.0 million, primarily related to production machinery and plant modernization.
- 6. Subsequent financing request.** Subsequent to year end, management initiated a request for additional working-capital financing to support raw-material procurement and operating needs.

Management Certification

Management certifies that the information presented in these synthetic financial statements is internally consistent with the project scenario and is intended only as test data for document intelligence, reconciliation, retrieval, risk analysis and agentic workflow development.
